with **DUROFLEX**  
**SKIRTBOARD**  
**RUBBER.**

**DUROFLEX SKIRTBOARD RUBBER** is ideal for use as **BELT SKIRTS**. When used in this manner, it prevents spillage and channels material to the center of the belt. In addition skirtboard rubber makes an excellent **BELT SCRAPER / WIPER** material. Apache skirtboard rubber is constructed of top quality rubber that resists abrasion, moisture, cutting, and tearing.

- Durometer: 60 +/- 5 • Compound: SBR • Lengths available: sold in 50' rolls
- Widths available: up to 48" • Excellent crush, kink, & weather resistance

**APACHE HOSE AND BELTING**

is your source for belting, cut parts, and hose products.
